AMENDMENT

Sir:

This letter is in response to Office Action mailed July 11, 2002. Please amend the above identified patent application.

Please rewrite Claim 35 as new Claim 55.

Cancel Claims 35-54.

FAX COPY RECEIVED

OCT 11 2002

IN THE CLAIMS:

55. (New) An actuator device comprising:
at least a first and a second electro-active element; and
at least a first and second conductor,
wherein said first conductor is in direct electrical contact with said first electro-active element; and second conductor is in direct electrical contact with said second electro-active element; and
wherein said first and second electro-active elements and said conductors are arranged such that said device forms a generally sigmoidal shape upon
